

MINISTRY FAIR

SERVE. GROW. RENEW.

CROSSPOINT CHURCH

2022 Fall Ministries

There's a place for you here!

Welcome to the ministry fair! Each ministry has a table, so please go through the fair to speak with ministry leaders and learn more.

We want every person in our congregation plugged into a place to SERVE and a place to GROW in your faith. In this way, we will RENEW our community life together.

We are confident that God will do great things through you and in you this year!

We also encourage you to stop by the Chinese and Korean congregation tables to get information to share with friends and neighbors in our community.
