

Encountering JESUS

February 25, 2024
Second Sunday of Lent

During Lent we will journey with Jesus to the cross, encountering Him through prayer, fasting, giving, and His Word. Like those in the gospels who sought Him, we seek transformation, healing, and restoration. Jesus changed the life of every person He met and encountering Him will change you too.

Today is the second Sunday of Lent, our 40-day journey with Jesus to the cross. Lent culminates with His crucifixion on Good Friday and His resurrection on Easter Sunday. It has historically been a time for the Church to prepare for Christ's death and to reflect on His sacrifice for our salvation.

We invite you to participate with CrossPoint in daily spiritual disciplines through the Lenten Journey Calendar. As a commitment to seeking God together, you can fill out a card and place it on the trellis at the front of the worship center before or after worship. Take another card home as a daily reminder of God's mercy and love for you.

The Lenten Journey Calendar is available in print or online at crosspointchino.org/lent.

CrossPoint's vision for expansion took another step forward on February 11, as 83% of voting members approved the sale of a 2.9 acre land parcel to fund the construction of a new ministry building.

We extend our heartfelt gratitude to all who contributed, voted, asked questions, attended meetings, and prayed over this decision.

With \$1.5 million already pledged to the Vision Campaign, we're humbled by your generosity. As we prepare to market the land while continuing to explore alternative funding avenues, we remain open to new pledges and insights for potential donors. Your continued support is invaluable as we move forward together in realizing our vision.

John 4:13-14

- What was something in the Scriptures or message that made an impact on you? Explain.
- Read John 4:1-42. What do you learn about Jesus in this passage? What challenges or encouragements do you receive for your own life?
- In John 4:2, we read that Jesus HAD to go through Samaria. Considering the sermon, why was this significant? How open are you to the leading of the Holy Spirit?
