SPIRITUAL MARKERS ASSESSMENT

To kick off the series, we encourage you to take the CP Markers Of Spiritual Growth assessment. Organic Disciples Book:
Part 1 Bible Engagement
CP value: Rooted in Scripture

- What was something in the passages, sermon, or book that made an impact on you?
- In the sermon we talked about living as Jesus lived which includes the practice of spiritual disciplines. What are some of the spiritual disciplines Jesus modeled for us? What part do you think these disciplines play in our spiritual formation?
- Read Galatians 5:19-26. How can the fruit of the Spirit help us measure our growth?
- In American Christianity we often talk about “Jesus and me.” Read 2 Timothy 2:1-2. Considering our definition of “discipleship” in the sermon, what is this passage teaching about discipleship?
- If you are a Christian, what is your “family tree”? That is, who led you to Jesus, discipled you, and who have you discipled?
- Why do you think it’s important to link the call to “discipleship” and “evangelism?”
- How can you apply this to your life this week?
